Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Legend has it that the Mooninites, an ancient race of beings dedicated to the moon goddess Muna, ruled over three exotic islands hidden hundreds of miles off the coast of Australia. Challenged by an invading revolutionary and his warped followers, the Mooninites found themselves locked in a battle for the islands that ravished their society and ruined their magical home. Aided by talismans that brought forth imaginative and surreal concoctions of monsters and creatures from alternate dimensions, the myth of this epic battle became all but a long forgotten memory. Now, thousands of years later in 2038, a radical revolutionist calling himself Lantern has dedicated years of his life to finding these talismans in order to overthrow the governing body of the islands, the United Forces. Hoping to create a New World Order under his own regime, Lantern will stop at nothing until his totalitarian plans of revenge have been carried out. Unfortunately for him, a band of teenagers led by the enigmatic and adventurous Dino Wheeler also wields the power of the talismans and have set out on a mission to stop Lantern's ruthless plans from coming to fruition. With the fate of the islands hanging in the balance, Dino and his friends are forced to face their teenage responsibilities, keep the secret of the talismans under wraps and take down Lantern before it's too late. In the first part of The Harvester Chronicles, author Andrew B. Lucas weaves a creative and imaginative mystical world full of exploration and excitement into one of the most epic literary adventures ever. Perfect for the adventure-hungry child in all of us, Lucas' new breath-taking tale...
