AND, by Hugh Halter and Matt Smay, asks and provides an answer for one of the most important questions for church leaders today: What is happening to the church in America? By all appearances, it looks like we are 'doing' church better than we ever have. In the past thirty years the number of mega-churches has increased from under 100 to over 7,500. In the past ten years the number of multi-site churches has increased from under 100 to over 2,000. AND will equip you and all church leaders to value existing church forms while catalyzing a missional movement of incarnational people into the world for Jesus Christ. AND is the second book in the Exponential Series---a partnership between Exponential Network, Leadership Network, and Zondervan featuring several signature books each year to tell the...
