Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

Brand New Book ***** Print on Demand *****.Excerpt from Cotton Mill, Commercial Features: A Text-Book for the Use of Textile Schools and Investors Before the institution of slavery became fixed as the leading feature of the labor system in the cotton growing area of the United States, the manufacturing interests in this area prospered more than in any other part of the country. As the production of cotton with slave labor was found to be more profitable and attractive, the institution of slavery grew in magnitude and importance, while manufacturing interests were neglected and allowed to languish. The abolition of slavery, as a result of the Civil War, completely upset the system of labor previously in vogue. The former condition had become a semi-feudal one, with such modifications as modern civilization made necessary. The abolitionists went far past the point of reasonable good judgment. The slaves were all Africans, or of African descent. Some of the most recently imported ones were trained from a savage condition, and all of them were without education or training, except for work on a plantation. These were at once given the right of suffrage and full rights of citizenship, on terms of equality with their former owners. This brought about a condition of semi-anarchy, in which the energy of the Anglo-Saxon element was sorely taxed to maintain their social supremacy and civilizing influence. Nothing prospered during the quarter of a century through which this lasted. Promptly, however, upon the restoration of stable government, a revival of manufactures commenced, which has grown steadily, and is still growing. In my work as engineer, I have had so many inquiries from people, living in the cotton growing area, for full information...
