Brand New Book ***** Print on Demand *****.This book is intended to be used as a guide by men to find harmony in all their relationships with women, passionate or platonic. It is meant to be used as a light to shine on the darker areas of the opposite sex and is by no means an attempt to explain the feminine condition. A woman is an intricate machine and she has to be handled with great care. She is not fragile but she does prefer a gentle hand. Men try too hard to understand women while women are doing everything they can just to try and understand themselves. Tango teaches us that understanding is...
