Jingle bells and prancing elves. Childs play and Santas sleigh. In winters night say your prayers. Chase away the seasons scares. If youre bad hell come for you. On your bloody bones hell chew. What if the songs and tales of Santa Claus are all lies What if they were created to cover up the true horror of the holiday season Each year, thousands of children go missing, never to be seen again. In the city of Crossings, Pennsylvania, the children are in danger. A centuries-old evil stalks the streets looking for more victims to feed on. Only the children with pure souls will be spared. For years, Nick has trained hard and hunted Klaus. Each time he fails, he falls further into his self-imposed isolation and feels his humanity slipping. Afraid that he may turn into the very evil he has sworn to fight, Nick must find redemption before he loses his soul or his life. After experiencing a traumatic childhood event, Angela lives in constant fear that demons will come for her. When her nightmares begin to take life, her world is turned upside-down once again. Unsure if the creatures she sees are fantasy or reality, she must decide whether to confront her fears or let them consume her. The terrifying truth of Christmas is here.
