Every military child has periods of time without their Dad. They look up to them and want to be just like them when they grow up. This book is a thank you to all of the little military children out there that bravely put forth their most precious asset to us in this country to protect our freedom and keep us safe. This book was written for them even though they miss Dad and wish he could be home with them to play, watch tv and read them a book. The author working with Military Families on a daily basis has seen the sad faces when Dad leaves, the bravery while he is gone, the excitement when Dad finally comes home and she has heard the stories of how they want to be just like Daddy when they grow up.
