Brand New Book ***** Print on Demand *****.Calling all fans of music, poetry and the book of Psalms from the bible: Version 3.0 is just as good as V 2.0. Ciara Ijames has done it again in this one-of-a-kind collection that features rap songs, touching song lyrics, and contemporary poems. Or better yet, Lyrics, Verses, and Modern Day Psalms. Version 3.0 again, is for all ages and now we are submerged into the lyrics, verses, and modern day psalms we started out with in V 1.0. Every round goes higher and higher. Inspiring content and modern day talk transcends these pages from margin to margin. Its potential to cross over is unheard of. The whole concept is to inspire people all over the world such as King David who authored majority of the Psalms in the bible. This third book or third version will captivate readers and touch the very soul of people everywhere. Let this be a book you are proud to recommend if you see someone who is down and needs encouragement. This is also a great recommendation for those who love music and the lyrics which make up the music. What will your excuse be when you are found reading this book? Because believe it or not, it is just that good!.
