Algora Publishing, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The haunting beauty of Mozart's Requiem and the tragic circumstances surrounding its composition have made it a favorite among performers and listeners alike. But how much of it actually Mozart's - and how do we know? Who wrote the missing pieces? What role did his wife, Constanze, play - and what about the man who secretly commissioned the work? Who tricked whom, and who had the last laugh in this grim tale? The author, an internationally recognized expert on Mozart, traces the complex web of events and intrigue surrounding the composition of the Requiem and how it was completed after Mozart's death. In an easy-to-read style, he presents an accurate, precise, complete narrative of the dramatic story; and with a spoonful of sugar, he introduces newcomers to some of the technical problems, clues, and terminology used in reconstructing such histories.
