

Herring Revision of the Binet-Simon Tests, Examination Manual: Form a (Paperback)

By John P Herring

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. From the INTRODUCTORY. Measurement of the results of teaching is a widespread practice, but this measurement by itself is insufficient, because, while it tells how well a child is doing in arithmetic, reading, and other school subjects, it does not tell how well he can do. We need to know both things. Educational examinations tell us how much a child has accomplished; intelligence examinations tell us how much a child can accomplish. The difference between the two is the child's unused margin of ability. It is not difficult to measure this margin of questions are asked and, for the most part, answered orally. The examination contains many tests similar to those in the Binet-Simon Tests, such as repeating digits, detecting similarities, interpreting pictures, etc. The final score in the examination is expressed, as is that of the Binet-Simon Tests, as a mental age. The mental age by the Herring Revision of the Binet-Simon Tests has the same meaning and significance as the mental age by the Stanford Revision of the Binet-Simon Tests. The examination consists of thirty-eight...
