

North-East India: the Horizon of Anthropology

By K.C. Mahanta

2008. Hardcover. Book Condition: New. 328 This collection contains an assortment of life-patterns of the multi-ethnic tribal and non-tribal communities of North East India. The work reflects the life-ways of the people since around the onset of the closing three decades of the last century. That was the period of heavy impact of Western as well as pan-Indian socio-cultural norms of the people of the region. The work highlights the people's way of absorption and assimilation of the neo-West-oriented as well as pen-Indian socio-cultural elements in their emergent life-patterns. As the North Eastern People's traditional life-ways are fast disappearing under the impact of multiple forces and factors. The work in this collection should serve the purpose of bench-marketing the trend and quantum of change in the foreseeable future. About The Author:- Dr. Khagen Chandra Mahanta, M Sc (Sau.), PhD (Gau.) was a faculty member of the Department of Anthropology, Dibrugarh University, Dibrugarh-786004, Assam, India for 32 years. Reviews

Good e book and useful one. It really is simplistic but shocks in the 50 % of your book. Your way of life period will probably be convert the instant you total reading this ebook.

-- **Myah Williamson**

Absolutely one of the best book I have ever study. It is actually written in simple terms rather than confusing. I realized this pdf from my dad and i suggested this pdf to understand.
