Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Over the past few years I have been collecting postcards of old Norfolk post offices and also hunting around to see if they still exist. But this was not on foot or by car, this was a virtual tour as I did this using Google Earth - the ambitious and sometimes controversial mapping program we have all no doubt heard of by now. Finding each post office was an interesting pastime and I began to put a lot of this together on my website at where you can see some post offices as they were then and as they are now.Then one day I thought it might be nice to make a little book as a companion together with a bit more information about each one and this is what you see here.Information comes from various sources but a lot of it from reading through copies of Kelly s Directories of Norfolk covering the early 1900s - so the town descriptions you read here are renditions of information from that time. I quote or paraphrase the introductory information as relayed in the directory. I think this gives a sense of what it was like back then in terms of travel arrangements and so on. It s certainly eye opening to read about so many railway stations that have now been lost.Details of who held the position of sub-postmaster or sub-postmistress in a certain year also come from Kelly s Directory. If I have been able to find them, there then follows details taken from the various censuses, usually from 1901 or 1911.The postcards I have selected mostly date from the early 1900s and where possible...
