No matter how much I've tried to experience it, something always happens to make me turn away. When I was with Donnell Patterson, I believed I finally had a chance at it, but I ended up destroying it by being selfish. Now, I have a second chance with Zack Hall. He's a woman's dream - smart, generous, and sexy as hell. But now that I'm with someone else, why does Donnell keep coming back into my thoughts? Should I let go of the past, and start with someone new, or go back to the person that I've always considered my one true love? Donnell: Monica Taylor and I have had our shares of ups and downs. Honestly, we had more downs than ups. But no matter what we did to each other, we always found our way back to each other; but she did the unthinkable when she tried to hook up with Marcus Walker. Now, I'm with someone new, who makes me really happy. Dominique Sawyer is amazing; not only is she smart and beautiful, but she's also drama-free. But if she's so perfect, why do I keep thinking about the person who has continuously broke my heart?.
