*It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

It didn't matter what she did; it was a given that her life would end on a bad note. So when she wins millions of dollars in the State Lottery, she's determined to do everything she can to have as much fun as possible. With the propensity to have the kind of fun that involves drunken bar brawls and shotguns, her financial advisor has no choice but to hire a bodyguard-to protect other people from her. The day Jack Hyland agreed to take on the job, he knew he was only going to last a week as Cheyenne's bodyguard. With her tousled hair and cut off shorts, she looked and sounded as much the hillbilly as he assumed she was. Never one to stay anywhere for long, always one to demand respect, Jack soon finds himself attracted to Cheyenne's rowdy behavior and lack of humility. With their friendship growing to more, and her bad moon looming ominously on her mind, Jack must find a way to convince Cheyenne that love can fix a curse, the same way it's fixed his jaded heart.
