William Barry, pathfinder, guide and pioneer whose Cedarvale Rilli(li, in the Big llorn mountains of Montana is visited by tourists from all parts of the country.) .0 . The Big Horn Canyon, winding through a wild and p cturesque valley. in (arbon county, Montana. between the Pryor and Big liorn mountains. is the greatest chasm in the United States, with the single exception of lhe Grand (an v on of Arizona. It is a gorge about one hundred miles in length, and throughout this distance the-vertical crags measure from four hundred to two thou sand feet deep--a narrow, tortuous pass, where the Big Horn river, in its four-hundred-mile journey from the Wind river range in voming to the Yellowstone river in Montana, has eaten its way to these great depths through a solid limestone formation. In this canyon there are no cascades, though the swift descent of the river form.-. many rapids, which, in several instances, are many miles in length. All attempts to pass through by boat or raft, met with disaster, up till the time the power boat Edith, went from (edarville ranch, at lillsboro, Montana, on a trip to the Gulf of Mexico, in the spring of 1913. The party was composed of Claude G. St. John, Delbert Smith and the writer, the latter leaving the party at Miles City to return home, by rail two (lays later. The boat was eigl1tccnfoot....
