Society for American Baseball Research. Paperback / softback. Book Condition: new. BRAND NEW, The National Pastime, Volume 10: A Review of Baseball History, Society for American Baseball Research, Society for American Baseball Research (Sabr), "The National Pastime" offers baseball history available nowhere else. Each fall this publication from the Society for American Baseball Research (SABR) explores baseball history with fresh and often surprising views of past players, teams, and events. Promising youngsters like Christy Mathewson and Rube Waddell often struggle before emerging as stars, while proven performers like Hack Miller may find their careers derailed by changing managerial strategy. But even after their fabled skills have...
