Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Public Schools: Winchester Westminster Shrewsbury Harrow Rugby; Notes of Their History and Traditions These notices of the past and present of our Public Schools appeared, like Etoniana, in Blackwood's Magazine. They seemed sufficiently popular to justify their republication in a somewhat enlarged and corrected shape. They are still confessedly incomplete; but they may help to preserve some record of earlier phases of Public-School life, the very traditions of which are growing fainter year by year. Printed authorities have been freely used. Those which were found most useful, especially such as are of modern date, are named before each School. The valuable and cordial help which I have received not only from friends, but from many who were previously strangers, is one of the most pleasant recollections of what has been, to the writer at least, a very interesting investigation. The reader will be indebted for any interest he may find in these pages as much to my correspondents as myself.
