Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Rothstein Associates Inc., United States, 2010. Paperback. Book Condition: New. 269 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.First Practical Guide to Integrating Risk Management, Business Continuity Management and Corporate Governance From Two World-Renowned BCM Pioneers Who Have Served on the British Standards Institution (BSI) Team Creating a British and International Standard for Risk Management. The U.S. Department of Homeland Security (DHS) is currently developing disaster preparedness standards for businesses. DHS is incorporating language from the British Standards Institution (BSI) because it provides a management systems approach to business continuity and integrates risk management disciplines and processes. The two authors of this now classic text in the field have been directly involved in developing those BSI standards. Here they bring you a distillation of their worldwide experience in pioneering the integration of the disciplines of risk management and business continuity. This practical guide is endorsed by: * * * The Business Continuity Institute * * * The Institute for Risk Management * * * Disaster Recovery Institute International It includes numerous helpful features: * * * Chapter objectives, summaries and bibliographies; charts, sample forms, checklists throughout * * * Plentiful case studies, in boxed text, drawn from enterprises around the globe, including the UK, US, Europe, Australia, Asia, etc. * * * Boxed inserts summarizing key concepts * * * Glossary of 150 risk management and business continuity terms * * * Timely topics, including stakeholder management, supplier management, outsourcing, the people factor, technology recovery, and communication, both internally and externally. * * * Wide range of challenges, including supply chain disruptions, media and brand attack, product contamination and product recall, bomb threats, chemical and biological threats, etc. * * * Instructions for designing/executing team exercises with role playing to rehearse scenarios * *...
