Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

Excerpt: .writings of the Early Church have come down to us, either in substance or traditionally, we may find an answer to the question in the fate of the autographs of the gospels and epistles, written by the hands of men around whose brows from that time to this the Church has delighted to entwine the halo of sanctity. This is an age which, perhaps more than any other, can estimate the value of relics of the past, especially when associated with historical renown, high mental attainments, or eminent writers; and our eagerness to become possessors of but a few words written by our poets or heroes, will at once indicate to us the priceless worth of an autograph epistle of St. John or St. Paul. An historian of the Library of the Vatican, tells us that St. Peter, when he would set up the see of the truth, brought the Holy Gospel to Rome; and that Paul the Apostle when he called Timothy thither, was careful that literary monuments should be brought with him: For bring with thee, he says, the books, and especially the parchments. Behold the beginnings of the Vatican Library. En Vaticanc e Bibliothecce primordia! d But, except by a figure of speech, the learned Assemani could not indicate, in that depository of glorious remains, the least fragment of papyrus or parchment which apostolic eyes had looked upon or fingers touched. Yet thereas a time when all that those holy founders of...
