No trouble was experienced in forcing the sounding pole into it 4 or 5 feet, and in places the pole would sink over 2 feet, of its own weight. The portion of the lake and its banks south of the railroad bridge are used for the storage of logs, and the narrow stretch of beach on the west as a lumber yard. The north end of the lake is shoal and marshy. The southerly 3, 560 feet of the lake is within the corporate limits of the village. A sketch showing the relative position of the two Bar Lakes, the railroad, mill site, bridge piers, and village limits is transmitted herewith. 3. In the village of Empire there are 3 general stores, 1 hardware and implement store, 1 dry goods store, 1 drug store,...
