COUNTERINTUITIVE MARKETING: ACHIEVING GREAT RESULTS USING COMMON SENSE

Free Press. Paperback. Book Condition: New. This item is printed on demand. Paperback. 368 pages. Why does American business seem to sputter along where it ought to thrive What is the source of the current plague of downsizing, disappearing companies, dot-com crashes, and here-today-gone-tomorrow advertising campaigns Why do more products flop than ever before Marketing experts Kevin J. Clancy and Peter C. Krieg have the answers. In Counterintuitive Marketing, Clancy and Krieg trace the high rate of business failure back to bad marketing strategy, and the even worse implementation of that strategy. Excess testosterone, they argue, compels senior managers to make decisions intuitively, instinctively, quickly, and, unfortunately, disastrously. In this informative and enlightening book, Clancy and Krieg confront these over-and-over-again marketers, who dont have time to do it right the first time, but endless time and a company bankroll to do it wrong over and over again. The authors draw from their decades of consumer and business-to-business marketing experience to describe the intuitive decision-making practices that permeate business today, and demonstrate how these practices lead to disappointing performance. Chapter by chapter, Counterintuitive Marketing contrasts how marketing decisions are made today with how they should be made. The authors give equal treatment to targeting, positioning, product development, pricing, customer service, e-commerce, marketing planning, implementation, and more as they present counterintuitive ideas for building and introducing blockbuster marketing programs. Readers will discover in this iconoclastic treasure chest hundreds of penetrating insights that have enabled the authors firm, Copernicus, to transform companies and become a brand guardian to the Fortune 500 and emerging businesses around the world. The tools to create exceptional marketing programs really do exist, and they are all here in Counterintuitive Marketing, the ultimate practical guide for any company of any size. This item ships from La Vergne,TN. Paperback.
