Romans de l'impossible identité Etre Juif en Europe occidentale (1918-1940)

By Thau, Norman David

Bern, Berlin, Bruxelles, Frankfurt/M., New York, Oxford, Wien, 2001. XII, 457 p., 2001. Book Condition: New. La double originalité de ce livre réside dans son objet même: la problématique identitaire dans l'œuvre romanesque d'auteurs juifs écrivant en français et en allemand dans l'entre-deux-guerres. L'étude éclaire la manière dont les auteurs vivent leur identité, au moment où le modèle du «citoyen de confession israélite» se heurte à ses limites. Tout en s'appuyant sur les nombreux travaux historiques, sociologiques ou littéraires existants et en prenant en compte les écrits non-fictionnels des auteurs, l'ouvrage fournit une analyse détaillée et comparatiste des romans. Lion Feuchtwanger, Joseph Roth, Albert Cohen, Irène Némirovsky, Armand Lunel sont au centre du travail. S'y ajoutent des auteurs mineurs du côté français, pour pouvoir expliquer l'énorme différence entre les littératures judéo-allemande et judéo-française: Bernard Lecache, Jacob Lévy, Edmond Fleg, mais aussi Jean-Richard Bloch ou les frères Tharaud. L'éventail est large, mais les rapprochements se révèlent féconds: la démarche comparatiste permet de mieux comprendre chacun des textes, d'expliquer l'étonnante similitude de l'autoperception d'auteurs si divers ainsi que de préciser les variables biographiques, culturelles, idéologiques qui expliquent les différences qui les séparent.

Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Talia Cormier**

An incredibly great book with perfect and lucid answers. Better than never, though I am quite late in starting reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
