Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. From the Editors: Leading nations around the world are moving rapidly to set up a new world economic system, based on the real values of physical productivity, the productive powers of labor, and scientific advance. We focus on those exciting developments in this issue of EIR—especially the stunning developments in Egypt. But that's only part of the story. The British financial empire is in a war to prevent the establishment of this new system, and it is utilizing every asset it can find, going as far as to threaten global war. The sanctions war against Russia, for example, is ripping Europe apart economically. The Ukraine developments are even more dangerous (International). But to succeed, the British need to control the U.S. Presidency. Their tool Obama is willingly complying—violating the U.S. Constitution without any effective challenge from Congress, and driving toward that confrontation with Russia (National). At the same time, Obama's protection of the predatory financial system is leaving an open field for genocide globally. In this issue we have our first coverage of the Ebola outbreak...
