By United States Dept of Agriculture

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Record of Experiments: Conducted by the Commissioner of Agriculture in the Manufacture of Sugar From Sorghum and Sugar Canes at Fort Scott, Kansas, Rio Grande, New Jersey, and Lawrence, Louisiana, 1887-1888 Sir: Complying with your instructions I beg to submit herewith for your approval Bulletin No. 17 of the Division of Chemistry, containing a record of the experiments made by your direction in the manufacture of sugar from sorghum and sugar canes. The bulletin is divided into three parts, viz: Part I, experiments with sorghum at Fort Scott. - Containing the report of M. Swenson; drawings and description of apparatus; a digest of the report of E. B. Cowgill to the State board of agriculture at Topeka, Kans.; and a statement of the action taken by the Department in respect of certain letters patent granted to M. Swenson for the use of lime carbonates in the cells of the battery. Part II, experiments at Rio Grande. - Containing the report of H. A. Hughes, drawings and description of apparatus used, and analytical notes. Part III,...

Reviews

It in a of my personal favorite book. This is certainly for anyone who statte there had not been a worth studying. I found out this ebook from my i and dad advised this pdf to learn.
