The Church Historian's Press, 2013. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1609075986 Brand new hardcover book! ; Become more personally acquainted with the Prophet Joseph Smith and early Church history through the engrossing volumes of the Documents series. Each volume contains reproductions of 75 to 100 revelations, letters, and other papers presented in chronological order. Historical introductions to each document explain where, when, and why it was created. From revelations to sermons to newspaper editorials to personal correspondence, the documents of this series allow you to see through the eyes of Joseph as early Church history unfolded. A primary focus of the time period covered in Volume 3 is the effort to build temples and develop Zion in Missouri. Volume 3 also documents the challenges Joseph Smith faced as the population of the Church grew in both Ohio and Missouri and as the violent persecution of the Saints in Jackson County intensified. As with the first two volumes, this volume includes many revelations, including the Word of Wisdom (D&C 89), that were later published in the Doctrine and Covenants, making it a valuable companion to studying that standard work. Volume Editors: Gerrit J. Dirkmaat, Brent M. Rogers, Grant Underwood, Robert J. Woodford, and William G. Hartley.; Vol. 2; 7" x 10.25"; 608 pages.
