BookSurge Publishing. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.8in. x 6.0in. x 0.9in. Habitually Great rescues readers from their search for the right motivational and personal development book. At the heart of this book lies one simple truth: insights disappear, habits don't. Too often, we may fail to create permanent change because we humans are hard-wired to revert back to our old habits. In actuality, it's our habits that are hard-wired, and are in charge of us; and in many fundamental ways they are determining the course of our lives. Habitually Great places in readers' hands an important breakthrough: a habit methodology that has proven over several years and with thousands of people, to create cognitive patterns of success in both people and organizations. It gives readers the tools to take this leap from intention to action, from ideas to accomplishment. The author and his staff deliver Habitually Great and Peak Life Habits programs to high-powered executives and Fortune 500 companies. A breakthrough habit methodology that is proven to create patterns of personal and professional success. A self-help book that is practical and doable, rather than theoretical. Provides the missing link to individual and professional greatness. If you are looking for a personal development and motivational guide that concentrates on what works and what you can actually do in the real world, Habitually Great is the only guide you require. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
