## POVERTY, CELIBACY AND OBEDIENCE: A RADICAL OPTION FOR LIFE (PAPERBACK)

Crossroads Youth Network, Australia, 1999. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book. Many people hold the view that the vows of poverty, celibacy, and obedience embody laws or regulations that govern a religious or monastic lifestyle. Diarmuid O Murchu offers a very different understanding of the vows, based on a much more ancient tradition. O Murchu claims that the vows are first and foremost about values and not about laws. And in this provocative work he suggests that the Eastern concept of nonviolence is a core value of the vowed life in all the monastic traditions known to humankind. At a time when all forms of religious commitment are being questioned, this value-oriented approach is refreshing and reassuring. O Murchu holds up each vow like a jewel, turns it, lets light shine on it, and presents it with a new glow, a new understanding. Not only vowed religious, but everyone interested in living these core values will appreciate his insightful and challenging views.
