## RAYMOND WILLIAMS: A WARRIOR'S TALE

Parthian Books. Paperback. Book Condition: new. BRAND NEW, Raymond Williams: a Warrior's Tale, Dai Smith, "Raymond Williams: A Warriors Tale" is a book much in keeping with its subject. Covering the first forty years the book weaves together its subject's life with the times in which he lived. Dai Smith makes the case that the childhood in working class Wales suffering the prolonged effects of 1926, the horrors of war as a front line soldier and the demanding years teaching adult classes in south east England, were formative for the politics, intellect and person that came later. In these the peculiar working class experience of demographic upheaval, industrialisation and building of community, had been variously explored. What "A Warriors Tale" brings to us is how Raymond Williams made these experiences his own in the years of writing that would eventually become Border Country. The research for this biography...
