Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, America: Nation of the Goddess: The Venus Families and the Founding of the United States, Alan Butler, Janet Wolter, In America: Nation of the Goddess, Alan Butler and Janet Wolter reveal how a secret cabal of influential "Venus" families with a lineage tracing back to the Eleusinian Mysteries has shaped the history of the United States since its founding. The evidence for such incredible assertions comes from American institutions such as the National Grange Order of Husbandry and from the man-made landscape of the United States where massive structures and whole cities conform to an agenda designed to elevate the feminine within religion and society. Exposing the strong esoteric influences behind the establishment of the Grange in the United States, they connect this apparently conservative order of farmers to the Venus families and trace its lineage back to the Cisterians, who were a major voice in the promotion of the Crusades and the establishment of the Knights Templar. The authors conclude with the startling revelation that nearly every city in America has a...
