Most people do not realize that feelings are subconscious. They control our behavior. Psychologically trained persons can judge us based on our facial expressions, tone, language and posture. These expressions let others know more about us than we ourselves know about us. Experts can hide their emotions and can display false feelings to others. Others have power over us. We are at their mercy! This book is an attempt to enable people to better recognize their own feelings and emotions and to control them. This book is an attempt to enable better recognize their own feelings and emotions and to control them. By directing your consciousness or awareness to the emotions, you not only can recognize your own emotions, but also those of others. By directing your consciousness or awareness to the emotions, you can...
