An introverted woman may become even shyer and closed up around a guy she's attracted to while a more extroverted woman may become overly catty and mean-natured with her teasing towards the man she's smitten with. Sadly, most guys have no idea that an interested woman may act this way unless they've had considerable experience with the opposite sex. How to Meet Men By Being Hard-to-Get But Easy to Approach If men seldom approach you or good guys rarely ever show an interest in you, you may have a difficult time filtering out the players and time-wasters from the guys who want a relationship. You may even find it difficult for you to say NO to the players and time-wasters simply because you won't have that inner confidence that says, Hey, pass on this guy, he's not worth it. You know you can do better than this loser. Women with options don't have to settle or act needy and desperate with men. Because they know how to be attractive to men, they trust that if they're not being treated with love and respect they can easily meet another guy....
